

## **Letter to Colleagues**

to be delivered with goodies (popcorn, bagel tray, lunch, etc.) for staff

Dear \_\_\_\_\_ and Staff,

As days grow cool and crisp, we think it is time to reflect on the first nine months of this year. It has been a banner year for our dental team, busy and productive. We hope you and your staff have had an excellent year as well.

In these busy times, it is easy to forget to express our on-going appreciation for all the dental and medical professionals in our community. We feel incredible pride to be members of this group. In short, our thoughts focus on the fact that we are fortunate to be counted among the health care professionals in our area. It is a true pleasure to practice in this community alongside colleagues such as you.

We wish for you and your staff a happy, safe fall leading to the best of holiday seasons.

Sincerely,

Marian P. Smith, D.D.S.
